

Phoenix GW(2/3/ARC)-S-L – Schematics

Phoenix Guest Wings (GWs) are an optional add-on to any Phoenix Air Studio, built to match the left-or-right-handedness of the Studio. They come in 2-Person, 3-Person, and Arc-Shaped variations. Each Guest Wing includes a set of cylindrical Legs and (4) Short Steel Struts that attach to pre-existing inserts in the underside of the curved edge of the Air Studio Countertop.

Note: All Guest Wings attach to the Air Studio Countertop with (4) Short Steel Struts (included)
